

Product description

Multi-tone siren in plastic casing for indoor installation

Overview of Advantages

- Tone frequency adjustable

Scope of delivery

- 1 piece multiple-tone siren

Note

- Grey white

Technical data

Input operating voltage	12 - 24 V DC regulated DC
Rated current consumption	80 mA
Required power supply	12 V / 90 mA - 24 V / 80 mA
Audio frequency	adjustible
Pulsating alarm signalling	adjustible
Class of protection	IP 33
Continous duty	100 % ED
Color	grey
Operating temperature range	-10 °C to +50 °C
Height	80 mm
Width	70 mm
Depth	78 mm

Article number	1200-10-----00
EAN-Number	4042203202238
