

#### Technical data

Adjustable keeper (FF, FaFix®)	Yes
Noise damped	Yes
Diode (05)	Yes
Fail-unlocked	Yes
Weak latch bolt spring	Yes
Input operating voltage	± 10%
Current consumption 12 V DC	235 mA
Current consumption 24 V DC	150 mA
Latch bolt engaging depth	5,5 mm
FaFix® adjustment range	4 mm
Break-in resistance	3000 N
Operating temperature range	-15 °C to +40 °C
Bolt throw	10 mm
Installation position	Vertical and horizontal
material bolt	plastic

#### Variants that can be ordered

Order number	Description
9338-----E91	Without striking plate, 12 V DC
9338-----F91	Without striking plate, 24 V DC
9338---34G35E91	
9338---34G35F91
